

# GLENMORE NEWS

Edition: October 2018

## Message from the President

Dear Members,

It's time to put away the sunscreen, Hawaiian shirts and golf clubs and to dust off our brooms, shoes and jackets. The 2018-19 Glenmore season has started!

Our ice crew of Karl and Mirko worked tirelessly to make sure the ice was in tip top shape for the Open House. It was a great success with many new members signing up. A big thanks to all those who volunteered.

Glenmore once again has the pleasure of hosting the Finale du Circuit as well as the Provincial Masters later this year. We always strive to encourage competitive play at all age and skill levels to keep Glenmore as the dominant player here in the city and a force to be reckoned within the rest of Quebec.

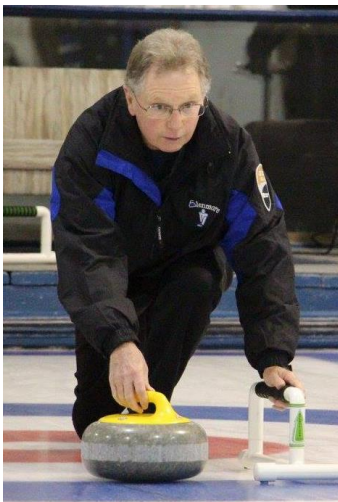

You'll notice our bar has been appropriately renamed John's Place, in memory of our long-time bartender and friend John Kiddie. We have also started a rock fund in his name with the intention of raising money for new stones for the club. Our goal is to purchase new rocks for next season, a much deserved upgrade for the club.

As with any organization, there are always many projects and ideas for upgrades that are floating around and we appreciate everyone's input on what we need to focus on next. I would like to personally wish everyone a safe, happy and successful curling season.

Sincerely,  
Matthew Kennerknecht

## Day Curling

Welcome Day time curlers.

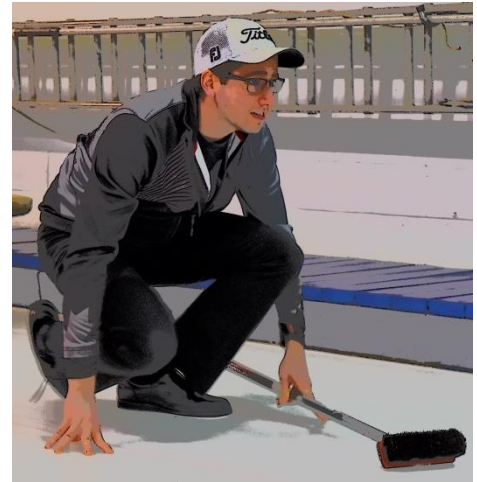

The day time curling program at Glenmore plays Monday through Thursdays and the occasional Fridays.

Our 16 teams in our house league play Monday and Wednesday mornings at 10:00. Our 13 teams in the day ladder play Tuesday's morning and afternoon at 10:00 and 12:30. We also have 10 Masters inter-club teams that play home and away on Thursdays and some Fridays at 10:00. During the season we have four in house bonspiels with curling and lunch and two pizza days.

On behalf of the Day Curlers Committee I would like to welcome our new members.
